PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Commission has determined that the grant request will promote education, conservation and the propagation of fish and game thus benefiting the County of Los Angeles and the State of California.

At its meeting held February 9, 2012, the Commission considered and approved a grant request from the City of Los Angeles Department of Recreation and Parks for the Inner City Fishing Program, to stock fish at the lake at Lincoln Park for a "Fishing in the City" event to be held on April 28, 2012.

Since 1952, the Commission continues to support activities and projects that promote the best methods for the propagation and protection of fish and game in the State of California and Los

Angeles County.

Implementation of Strategic Plan Goals

The provision of funding for these events is consistent with the County's Strategic Plan Goal No. 3 (Community and Municipal Services). In addition to enhancing the community's knowledge and understanding of conservation and the propagation of fish and game, the events will provide a safe and healthy environment increasing accessibility to County cultural, recreational and lifelong learning facilities and programs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 13100 of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations.
